CHRONOS | iDOCK

DAB/FM Stereo Clock Radio with iPod Dock

EcoPlus

From PURE, the world leaders in digital radio, comes a combined DAB digital clock radio and iPod docking system which is perfect for the bedroom, study, or wherever your iPod likes to rest.

Based on the best-selling Chronos CD, Chronos iDock combines all the choice, features and ease of use of DAB digital radio with the convenience of iPod docking. Enjoy your music collection in high-quality stereo sound, recharge your iPod and catch up on the latest music, sports news and debate on DAB.

Chronos iDock has a wealth of bedside alarm functions including four independent alarms, each of which can be set for weekdays only, weekends only or as a one-off. And you can choose to wake to DAB digital radio, FM, a simple tone alarm or even your iPod.

A sleep timer allows you to drop off to your favourite station and the all-important snooze button is easy to find, with an adjustable snooze time for an extra lie-in when you deserve it.

Listen or wake to your iPod® whilst it charges

EcoPlus products are designed and manufactured with the environment in mind

Four independent alarms wake you to iPod, tone, DAB or FM

Automatic brightness control

Remote control included

Features

Listen or wake to your iPod whilst it charges.
