CHRONOS CD

DAB/FM/CD/MP3 Stereo Clock Radio

Based on CHRONOS, the UK's best selling DAB bedside clock-radio, CHRONOS CD is an elegant, compact, DAB/CD clock radio, which delivers superb digital-quality audio from its stereo speakers.

CHRONOS CD has easy-to-use bedside features including four completely independent alarms that can be set for weekdays, weekends, daily or as one offs – each with the choice of waking up to either DAB digital radio, FM, CD or a simple tone alarm. An adjustable sleep timer allows you to go to sleep to your favourite station, and the easy to find snooze button means you won't be fumbling around in the morning – you can even set the length of the snooze timer for an extra lie-in when you deserve it.
