**SENNHEISER**

Lightweight and comfortable, the supplied class-leading Sennheiser MX 300 in-ear headphones have a wide dynamic range and powerful bass-driven sound.

**ChargePAK  
INSIDE**

ChargePAK™ Inside gives around 24 hours portable DAB listening. Recharge PocketDAB 1500 from the mains using the supplied adapter, just like your mobile phone.

**text  
SCAN**

textSCAN™ for pause and control of DAB scrolling text, gives you time to note down track titles, web addresses and competition phone numbers.

((FM))

PocketDAB 1500 also receives FM with RDS support for station name display and scrolling text.

# PocketDAB 1500

## Rechargeable Personal DAB and FM Radio

From the world leaders in DAB radio comes PocketDAB® 1500, the DAB and FM personal radio that looks and feels just as good as it sounds. FM reception means you can listen in areas of reduced DAB coverage or whilst abroad and the in-unit rechargeable ChargePAK™ gives around 24 hours of uninterrupted DAB listening through the class-leading Sennheiser in-ear headphones.

With up to 55 DAB stations available in many areas, plus additional FM-only stations, you'll be spoilt for listening choice. And you're sure to enjoy DAB features like automatic tuning, station selection by name and scrolling text showing track titles, artists' names and sports results. There's even RDS for station name display and scrolling text on FM.

Ideal while travelling to work, at sports events and anywhere where you want to listen without disturbing others, PocketDAB 1500 is compact, uncomplicated and stylish. If you love radio PocketDAB 1500 delivers unrivalled listening choice – wherever you are.

### DAB & FM Radio

PocketDAB 1500 supports both DAB and FM, so you can listen in areas of poor DAB coverage or when abroad.

### Portability

Weighing in at only 123g, PocketDAB 1500 is our lightest personal radio to date – ideal when you get active, whether that's jogging, working out or walking the dog.

### Superb Sound Quality

PocketDAB 1500 combines our audio expertise with high-performance in-ear Sennheiser headphones for a truly outstanding personal radio. And with five custom EQ settings it's configurable to suit your choice of listening.
